MEMBERSHIP APPLICATION**

INDIVIDUAL MEMBERSHIP APPLICATION FORM

REF NO _____ (for official use)

INVITATION TO MEMBERSHIP

Are you normally resident in Co Fermanagh and concerned about the risks associated with unconventional oil and gas exploration and extraction using High Volume Hydraulic Fracturing in Fermanagh? If YES, then we would like to extend to you an invitation to become a member of FFAN.

Becoming an Individual member of FFAN pledges your support to the vision, values and aims of the Network (see below). As a member you will be entitled to vote at AGMs and other general meetings and to stand for election to the Management Committee.

ABOUT FFAN

OUR VISION

County Fermanagh as an inclusive, progressive and vibrant county where its people and resources are respected regenerated and sustainably managed and developed and, where communities are healthy and prosperous, a great place to bring up families in a clean and unspoilt environment. We want this vision to be sustainable for the generations that follow.

VALUES

- FFAN is a cross-community network of individual Fermanagh residents. It is not affiliated to any political party or other organisation but works with a broad range of groups and individuals who are concerned about the risks associated with unconventional oil and gas extraction using high volume hydraulic fracturing.
- FFAN is a single issue group
- FFAN will seek to inform and engage with communities, individuals, organisations and politicians in a manner which will be respectful and challenging.
- FFAN is committed to an ethos which is non-confrontational/non-intimidating/non-violent

AIMS

The Aims of Fermanagh Fracking Awareness Network are to:

- 1 Raise awareness of the risks associated with unconventional oil and gas exploration and extraction using high volume hydraulic fracturing in Fermanagh and wider areas, and undertake advocacy and research work in response to emerging needs;
- 2 Encourage the safeguarding and sustainability of public health, agriculture, tourism, waterways, sustainable energy resources and the natural environment.
- 3 Help establish and support the development and empowerment of local affiliated groups, and liaise with appropriate national and international networks.
